Production case study

Last Ferry / Fictional short film

Project	Revision	Prepared by
Last Ferry	01	Nina Vale

Brief and measurable result

Shooting schedule

Goal: Plan the workshop before the ferry leaves.
Action: Mara finds the key beside the recorder.
Result: Ready
Notes: Compare setup time with the shooting schedule.

Sound

Goal: Room tone
Action: The last ferry leaves the pier.
Result: Ready
Notes: Harbour ambience

Working notes

The example covered two scenes in one day, with four planned setups and a 60-minute setup estimate. Compare the estimate with the day report.
